WITHDRAWAL OF PACKAGE ARRANGEMENT:

Parkway Hospitals Singapore Pte Ltd will withdraw the package pricing arrangement and charge retail prices for the services and supplies consumed by the patient following the patient's admission in the event of any of the following:

	Additional procedures taking place within the same admission except for postpartum ligation; and / or
	Heavy usage or consumption of tests, supplies, medication, gases and / or other consumables during the package length of stay beyond normal bounds, whether arising from complications or otherwise; and / or
	Baby's required admission to NICU; and / or
	Upgrade to any accommodation type(s) not offered in the list of packages above.

OTHER TERMS AND CONDITIONS:

1. All package exclusions are charged at retail price. If used, they will be charged in addition to the package price.
2. Should your general ward stay (single room) exceed the stipulated length of stay, all room rates and items / services charged on the exceeded day(s) will be charged at retail price.
3. In the event of any change in bed type during your stay, the package with the bed type option corresponding to the most expensive bed type option used during your stay shall apply.
4. In the event of a room upgrade to or downgrade from a single room, the single room package shall apply.
5. There will be no refund if (a) you stay shorter than the specified package length of stay; or (b) package items are not used during hospitalization; or (c) the aggregate of your items used is less than the package price.
6. Packages are not entitled to any form of discount.
7. Packages are applicable only if your doctor has selected one of the above packages and indicated it in your admission letter and subject to room availability.
8. The package price is payable in full upon admission. All additional charges incurred whether from the use of excluded items / services, exceeded stay or otherwise are payable upon discharge.
9. Package prices do not include doctors' professional fees, which are payable upon discharge.
10. All payment is to be made via cash, credit card, or Medisave only. Packages are applicable only for patients who self-pay in full to Parkway Hospitals Singapore Pte Ltd.
11. Medisave claimable limits vary based on length of stay and type of operation; amount stated in the package listing is only an estimate.
12. Once you are admitted, you will not be allowed to cancel any package(s) you have signed up for.
13. Parkway Hospitals Singapore Pte Ltd may vary the terms and conditions contained herein without prior notice.

I, _____, hereby acknowledge that I have received financial information on the above package. I understand that the financial information that I have received only provides an estimate of the size of the hospital bill, and that this estimate shall not be construed to be a representation or guarantee of the cost of the final bill.
